# LEXICONFAB

A public discussion on the human side of Bracknell Regeneration

IN THE HALL OF ST JOSEPH'S CHURCH STANLEY WALK BRACKNELL RG12 1HA  
7.30-9.30pm WEDNESDAY 28 SEPTEMBER 2016

THE LEXICON is set to make a huge difference to both the image and the reality of life in Bracknell.

So it's timely to have this informal get-together. The purpose is not just to air and share what's heading in - but to identify and examine any concerns about possible impacts on individual, family and community life. You'll enjoy different perspectives through a variety of eyes and voices.

**NB1 The event's free**, but bringing along something for the local Foodbanks will be appreciated.

**NB2 Places are limited**, and you're advised get your name down well in advance (and enjoy some unusual joining instructions)

**NB3 Book only by email** to [hughgibbons@just1.org.uk](mailto:hughgibbons@just1.org.uk)
